- D. The parties acknowledge that the Scheme will be used to allow TASCO to debit the Purchaser's Financial Institution account under the Scheme for all monies payable to TASCO by the Purchaser on any account whatsoever but including:
 - a. cash sales amounts owed by the Purchaser to TASCO under the Agreement;
 - b. monthly debtors' account payments.

THE PARTIES HAVE AGREED AS FOLLOWS:

- 3. In the event that for any reason at any time TASCO is unable to obtain immediate payment under the Scheme from the Purchaser of any monies sought by TASCO to be paid under the Scheme, the Purchaser agrees to pay an administration fee with respect to any account outstanding outside TASCO's terms of payment as set by TASCO from time to time however the administration fee shall not exceed 1.5% per month of the outstanding balance.

If the Purchaser is dissatisfied with the response provided by TASCO, then the Purchaser can direct its claim to its Financial Institution who will respond to the complaint.
- 9. The Purchaser acknowledges that direct debiting through BECS is not available on all accounts, or with all Financial Institutions. The Purchaser acknowledges that it has been advised to check account details against a recent statement from the Financial Institution with whom it currently deals, for the purposes of this Agreement. If the Purchaser is uncertain as to whether its Financial Institution is a participant in the Scheme, it has been advised to check with the Financial Institution or proposed Financial Institution before completing any Direct Debit Request form for the benefit of TASCO.
- 10. In the event that any payment required to be made under this Agreement is due on a day that is not a business day, then the day for payment of that drawing shall instead be the succeeding business day.

- 12. The Purchaser acknowledges that in the event that its Financial Institution returns or dishonours a drawing made under the Scheme, TASCO will contact the Purchaser by telephone to make separate arrangements to redraw the amount and any related Financial Institution fees from the Purchaser's Financial Institution account.
