

OFFICIAL RALLY PROGRAMME

'THE PEOPLE'S RALLY'

8 – 14 OCTOBER 2023

RALLY MANAGER WELCOME/

A very warm welcome to all of you who have travelled far and wide to come to the great little town of Dalby in the Western Downs District.

To all the First Timers, I hope you enjoy your first Rally. I am sure it will not be your last as you make new friends with fellow Rally attendees.

To all the Rally "junkies", enjoy catching up with old friends and making new ones.

To all the wonderful volunteers, I cannot thank you enough for all your hard work before and during the Rally, including my Secretary Eleanor Scully and my husband Ray "Mr Gunna" (he is going to do what he is told to do).

To all the staff at National Headquarters, thank you so much for all your valued support, it has been much appreciated.

Everyone, please read your Rally Programme as it contains all the information you need to know and what will be happening each and every day.

The Western Downs Tourism has come up with some wonderful tours, so please go out and enjoy the locations. A big special thank you to Theressa Oakenfull, the Tourism Officer for the Western Downs Regional Council, for all her support during the process of organising this Rally.

Now, with so many seminars to choose from, which ones will you go to?

Our craft teachers have been busy putting together their kits, so go to the Craft Barn and learn something new.

There are many off-site activities to participate in such as golf, croquet, lawn bowls, men's shed, quilt show and bingo. Jump on the bus and enjoy.

In the centre pages of this Programme, you will find the Site Map. This shows you where all the buildings and areas are.

Enjoy reading the Daily Schedule and working out what activity you will participate in; there are so many, it will be difficult to choose.

The food court will be a buzz of activity, and there will even be a pet friendly area for you and your furbabies to enjoy some refreshments and entertainment together.

Please support our wonderful traders that have come on-site.

I hope everyone enjoys the entertainment that has been put together for you, there's something for everyone.

Lastly, I wish to say that I have enjoyed the challenge of putting everything together for this Rally. I hope you, the members, have a memorable experience.

MAJOR SPONSORS

MAYOR WELCOME/

Welcome to the Western Downs – a magical part of Queensland where the skies are big, the plains are vast, and the people are amazing.

We are so excited to welcome the Campervan and Motorhome Club of Australia's members to our beautiful region for the National Rally 2023.

We pride ourselves on our active, vibrant communities here in the Western Downs and it is thanks to incredible events like this National Rally that we can continue to grow our community pride.

For those of you who took up our special Big Skies offer, we hope you enjoyed the Festival and getting to spend some extra time with Rally friends in our great region. We look forward to having you back again next year!

If you're not in a rush to return home, there is still so much to see and do. Our tourism team will be on-site during the Rally and is excited to assist you with further travel plans to help you make the most of your visit to the Western Downs.

Our region offers a range of amazing sights and attractions to fill you with awe; from the ancient treetops of the Bunya Mountains to the French colonial homestead of Jimbour House and everything in between, there's always more you'll want to explore. Learn the history of the Condamine Bell or Possum Park. Take that perfect selfie at Chinchilla's Big Melon.

Hit the road on any of our major highways to drive by winter crops like wheat, barley and chickpeas as they flourish, ready for harvest. Set up camp at any of our tremendous, tranquil recreational areas. Walk the tracks of early settlers, or enjoy some great hospitality at any of our great country pubs.

However you decide to spend your time in the Western Downs, one thing is for sure – it's the people that make it. We are proud to have so many welcoming and

knowledgeable locals who are all too keen to have a chat and share the lesser-known treasures of their communities.

It's great to have you here visiting the Western Downs. We hope you enjoy your stay!

Yours sincerely,

Councillor Paul McVeigh
Mayor of Western Downs Regional Council

ENTERTAINMENT/

Normie Rowe

Normie Rowe was our first King Of Pop. He was far and away, Australia's most successful pop idol during the explosion of pop music and fashion in the mid-60s.

He produced a string of hits that are an important contribution to the soundtrack of the Baby Boomer generation. "Que Sera Sera", "Shakin' All Over", "It Ain't Necessarily So", "It's Not Easy" and "Ooh La La", among them, produced fan and media hysteria unseen before or since for an Australian artist.

At the peak of his popularity, Normie was called up for Army service, where he served in Vietnam.

After arriving home he turned his hand to television acting with a long run in Sons and Daughters. At the same time, he was studying acting and honing his vocal skills which led to his critically acclaimed role as Jean Valjean in Les Miserables.

His repertoire is drawn from the breadth of this extraordinary performing career. Normie Rowe AO is an Australian treasure and the consummate entertainer.

Darren Carr

Darren is recognised throughout the industry as Australia's number one ventriloquist, having performed with his cast of hilarious characters at thousands of corporate functions, special events, nightclubs, and theatres worldwide.

Darren has been honored with over two dozen "ACE" and "MO" Entertainment Awards as "Specialty Performer of the Year" and a record seven-time winner of "Australian Performer of the Year".

In 2013, he was a finalist on "Australia's Got Talent" and the YouTube videos of these performances have had over 10 million views. He has also appeared as a headliner at the International Ventriloquist Convention in the USA on four occasions.

Darren Carr will deliver an appropriate, professional, and thoroughly entertaining show for all those who love to laugh.

ENTERTAINMENT/

Rodney Vincent

His show is a blend of country, comedy, old time favourites, rock n roll and storytelling that cannot help but make people laugh and enjoy.

His standing in Australia's entertainment scene is no accident; it is a result of a long hard apprenticeship that as he says "started a while ago".

His journey has taken him from his first paying gig in an old time dance band at his local hall to some of the biggest venues, clubs and theatres in Australia. He has toured and been a special guest with the likes of The Delltones, The Four Kinsmen, Gloria Loring (Days of our Lives fame), Freddie and the Dreamers and more.

His shows are variety as he plays both original songs and all time favourites, complete with a wonderful salute to Gene Pitney and a show stopping tribute to our own "King of Rock and Roll" Johnny O'keefe which is not to be missed.

Murphy's Pigs

A BIG BAND, a big sound and nearly an acre of suit fabric.

This is an award-winning Celtic-Rock ensemble that will take you on a musical journey through the lands of the Celts as they drag you into their world of rugged mountains, stormy oceans, fearsome battles and unrequited love and a drop or two of the whiskey.

With 10 musicians playing 40 instruments and 3 Irish dancers (The Piglets), Murphy's Pigs has graced some big stages including the World's largest Celtic Festival in France, Tamworth Country Music Festival, Woodford Folk Festival, Gympie Music Muster, Winton's Way Out West Fest, Australian Celtic Festival, a performance with the Queensland Pops Orchestra at the Queensland Performing Arts Complex and many, many others.

They have twice been awarded "Artist of the Year" at the Australian Celtic Music Awards.

If you like singing your heart out, stamping your feet, dancing like a loon or just wallowing in guilt-free revelry, then this is one journey you will not want to miss.
