RALLY MANAGER WELCOME

Welcome to Mount Gambier SA, for CMCA's 37th National Rally.

Here's to an exhilarating 8-day adventure for all in the Limestone Coast Region of SA!

Our Rally Team, including National Headquarters, Management, Coordinators, and an incredible 210 Volunteers, have dedicated countless hours to ensure this Rally is not just enjoyable but truly unforgettable.

The Rally would not be possible without our Volunteers, but it also wouldn't be successful without our members coming along and participating in the activities we have planned – so a sincere thank you to everyone!

For those who recall, our last CMCA Rally here was in 2006. Many of the local community fondly remember the events well and extend a warm welcome back to us all.

This year we have 262 First Timers attending, a special welcome to you! We hope you dive into all the events on offer.

We have a fantastic new 'First Timers Team' to assist you: Merron, Nancy, Gayle, and Karin. They are here to help you make the most of your Rally experience.

Make sure to read your Rally Programme as it contains all the essential information you'll need each day. Tune in to UHF 24 at 7:30am daily for any updates or changes to the programme. You can also check the notice board outside The Information Office for daily updates.

A heartfelt thank you to our Sponsors, whose generous support makes this Rally possible. Their contributions are invaluable. We also extend our gratitude to local businesses for their discount vouchers and promotional efforts, and to the City of Mount Gambier Council, Visitors Information, Tourism, and Chamber of Commerce for their unwavering support.

Lastly, I would like to personally thank my Rally Team for their tireless efforts. This event is a testament to their dedication:

Richard Barwick – CEO
Lillie Sinclair – NHQ
Kelly Wiseheart – NHQ
Sheri Crawshaw – Rally Secretary
Kim Templeton – Volunteer Organiser
Paul Jensen – Maintenance
Laurel Deuis – Siting

Together, we've made this Rally a reality, and I cannot thank the Team enough.

Enjoy the Rally, everyone!

Jo-Anne Arthur V39511

MAJOR SPONSORS

MAYOR OF MOUNT GAMBIER WELCOME

I extend a very warm welcome to you as you arrive in Mount Gambier. We are thrilled to host the Campervan and Motorhome Club of Australia National 2024 Rally. Our city has a population of around 28,000 people and is the major centre of the Limestone Coast, servicing a regional population of more than 60,000 people.

Mount Gambier is perfectly centred between Adelaide and Melbourne and famous for the Blue Lake. Our city also boasts beautiful parks and gardens, caves, sinkholes and is surrounded by volcanic craters, lakes, limestone and underground aquifers. I encourage you to take a guided tour of Engelbrecht Cave with our visitor services team and wander the city during your visit.

Residents enjoy a quality lifestyle with city facilities, including excellent government and private schools, UniSA campus and TAFE, a major hospital, allied health services and aged care facilities, and our newly built Wulanda Recreation and Convention Centre, making Mount Gambier an attractive place to live, work and visit.

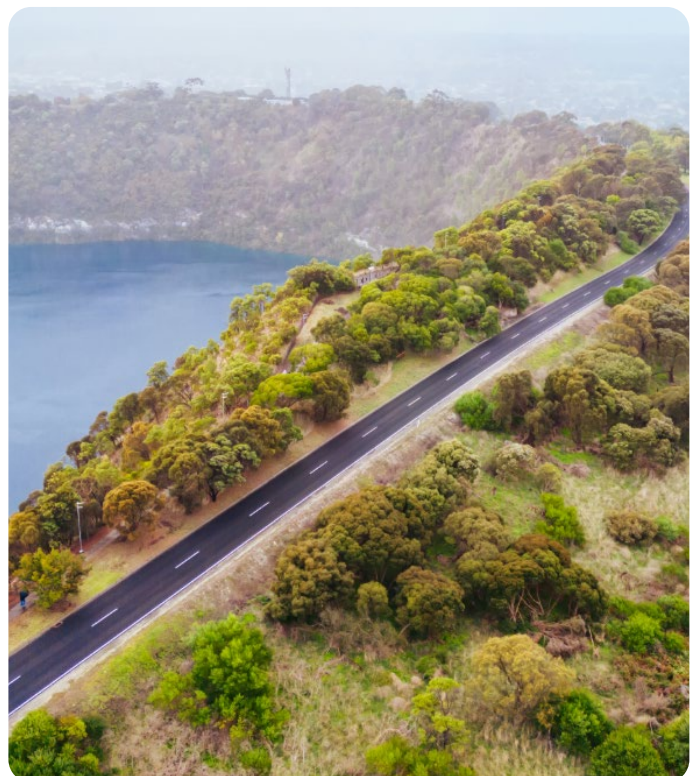

The city is also home to the Riddoch Arts and Cultural Centre, the largest regional gallery in South Australia, and the Sir Robert Helpmann Theatre, all contributing to a vibrant arts and cultural scene.

Mount Gambier's strength is its diverse economy. Key industry sectors include health, retail, aged care, timber processing, tourism, manufacturing, education and professional services. The city is surrounded by fertile land supporting thriving forestry, agriculture, dairy, beef and lamb farming industries.

The rally is a wonderful way for members to come together, forge enduring connections with one another and explore new places, and we are glad you are here. It is our pleasure to host you in our beautiful city, and we hope you enjoy your stay with us.

CHARITIES

The 37th CMCA National Rally at Mount Gambier is supporting local charities - South East Animal Welfare League and Four Reasons Why.

SOUTH EAST ANIMAL WELFARE LEAGUE (SEAWL) is a community based, not-for-profit organisation providing shelter for homeless and unwanted animals across the South East and surrounding areas. Through the hard work of dedicated staff and volunteers, SEAWL aims to provide surrendered dogs and cats with a second chance at a safe and happy home. The SEAWL receives no financial support from the local Government. It continues to rely on the support of generous community members and local organisations.

CHARITIES CONTINUED...

FOUR REASONS WHY was founded by Mount Gambier single mother of four Trudi Shelton in 2017. She has been tirelessly serving her community since 2016 in her efforts to warm local children in need during winter with the Mt Gambier Winter Wear for Kids In Need campaign. Four Reasons Why strives hard to provide support, assistance and opportunities to locals in need. All donations stay local, for locals. Four Reasons Why has targeted campaigns and calls to action with a focus on good condition preloved items, brand new goods, winter clothing and footwear, drink bottles, sports equipment and memberships for the identified needs of local children, families and persons, experiencing hardship.

WALKING TO THE WATERHOLE TOUR:

Caroline Hills Winery has a natural waterhole on their property. Owners, Terry and Helen, want to share this unique spot and have scheduled a 'Walk to the Waterhole' (400 metres) through native trees and shrubs.

The walk will be followed by a sumptuous picnic lunch and a beer, glass of wine, mocktail, tea or soft drink at the bush hut at the waterhole. The hut and firepit area have views over the countryside to Mount Gambier. A talk by winemaker and geographer Terry, describing the underground aquifer, sinkholes, caves and waterholes that form the geography of the region will be part of the event, and provide an insight into the fascinating characteristics of the Limestone Coast.
