BUNDABERG CMCA RV PARK OPEN FOR BUSINESS

Following months of planning and construction work, the Campervan & Motorhome Club of Australia (CMCA) opened its latest CMCA RV Park in Bundaberg on Friday 8 June 2018.

The site, capable of accommodating up to 50 RVs at any one time, is located on Burrum St within the old showground land, handy to local retail outlets and tourism attractions.

“CMCA is excited to announce the opening of its fourth RV park in Australia. In our planning, we will develop a significant number of similar parks across the country in coming years”, said CMCA CEO Richard Barwick.

“CMCA will have a network of parks for our members that will link popular touring routes and visitor destinations, providing basic facilities and an opportunity to mingle with other members whilst on the road” he added.

“These parks are part of our suite of member benefits. To access the RV park, you must be a CMCA financial member, your vehicle must be self-contained, and you must agree to our ‘Leave No Trace’ Code of Conduct.

“With over 70,000 members and a growth rate of approximately 6% per year, we are the largest RV club in the southern hemisphere. This is achieved by increasing the range of benefits available to our members.

“I would like to take this opportunity to thank the Bundaberg Regional Council staff, local businesses and local CMCA member Arthur Bugden for their tremendous support towards this development” Mr Barwick added.

Bundaberg Regional Council Mayor Jack Dempsey said the addition of the RV park was yet another economic driver for the region and supported the region’s RV Friendly Town status.

“The CMCA National Rally last year certainly opened many eyes to the value of the RV market and the positive impact it can have on communities.

“We have enjoyed a great relationship with CMCA and have been delighted to partner with them in finalising the establishment of this new park,” said Mayor Dempsey.

CMCA Chairman Garry Lee and Mayor Jack Dempsey will officially open the park on Monday 27 August 2018.

For membership enquiries or to book a site at one of the RV parks, go to cmca.net.au or call the friendly member services staff at CMCA Head Office on 02 4978 8788.
